2.7 Guidelines and Review Procedures

The Group had established the guidelines and procedures to ensure that the RRPT contemplated under the Proposed Shareholders' Mandate are undertaken on transaction prices and terms which are generally not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders:

(a) Methods for Determination of Transaction Price

- (i) The transaction prices, terms and conditions are determined by current market forces, under similar commercial terms for transaction with third parties, which are dependent on the demand and supply of the products/ services.
- (ii) The Group shall ensure at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
- (iii) In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, for instance where the vendor is the sole distributors/ agents or an in-depth knowledge, understanding and evaluation of the requirements of the industry are critical for the products/services offered, the transaction price will be determined based on the usual business practice and policies of the Group to ensure the RRPT is not detrimental to the minority shareholders of the Group.

(b) Thresholds for Approval of RRPT

There are no specific thresholds for approval of RRPT within the Group. All RRPT will be monitored by the management and reviewed by the AC on a quarterly basis and approved by the Board. Where the RRPT has not obtained the shareholders' mandate or has exceeded the shareholders' mandate, an announcement shall be made to Bursa Securities.

(c) Monitoring of RRPT

- (i) A list of Related Parties shall be circulated within the Group from time to time for reference and at the same time, the related party will be notified to ensure that all RRPT are undertaken in accordance with the policies.
- (ii) All operating divisions and subsidiary companies shall review the existing information systems to ensure that information on Related Party Transactions is captured at source.
- (iii) Records will be maintained by the Company for AC's review in order to capture all RRPT which are entered into pursuant to the Proposed Shareholders' Mandate.
- (iv) The annual internal audit plan shall incorporate a review of all RRPT entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to.
- (v) The AC shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPT have been complied with.

- (vi) The Board and the AC shall have overall responsibility for the determination of the review procedures with authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Board or AC has an interest, as the case may be, he will abstain from any decision making by the Board and the AC respectively in respect of the said transaction.
- (vii) Additional quotations, if relevant, from third parties will be obtained and will be evaluated based on ranking on the price, delivery, services and other terms and conditions before entering into such transactions.

If it is determined that the guidelines and/or procedures stated in Section 2.7(a) of this Circular are inadequate and to ensure that:-

- (a) the RRPT will be conducted at arm's length and on normal commercial terms which are not favourable to the Related Parties than those generally available to the public; and
- (b) such transactions are not to the detriment of the minority shareholders of the Company or prejudicial to the interests of the shareholders.

The Company will obtain a fresh proposed mandate based on new guidelines and procedures. The AC shall also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

Pursuant to Paragraph 10.09(2) of the Listing Requirements, in a meeting to obtain the Proposed Shareholders' Mandate, the interested director, interested major shareholder or interested persons connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution approving the transactions.

2.8 Disclosure in the Annual Report

- (a) type of RRPT made; and
- (b) names of the Related Parties involved and their relationship with the Group pursuant to the Proposed Shareholders' Mandate in accordance with paragraph 10.09(2) and Practice Note No. 12 of the Listing Requirements.

3. STATEMENT BY THE AC

The AC of PHB, save and except for Dato' Tahir Jalaluddin Bin Hussain, has seen and reviewed the procedures mentioned in section 2.7 above and is of the view that:

- (a) the procedures and processes are sufficient to ensure that the RRPT is in the best interest of the Company, are carried out on terms are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders; and
- (b) The Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or whenever the need arises.

4. RATIONALE FOR AND THE BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The RRPT constitute recurrent transactions of a revenue or trading nature which are necessary for the day-to-day operations of the Group, and which contribute to the generation of their turnover.

It is envisaged that in the normal course of business of the Group, transactions in respect of goods or services with the Related Parties will occur with some degree of frequency from time to time and may arise at any time.

Some of these RRPT may be time-sensitive and it may be impractical to seek Shareholders' approval on a case to case basis before entering into such RRPT.

The obtaining of the proposed mandate and the renewal thereof on an annual basis would eliminate the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPT arise, thereby reducing administrative time and cost associated with the corporate objectives or adversely affecting the business opportunities available to the Group.

Some of the benefits to be derived from the Proposed Shareholders' Mandate of these RRPT are as follows:

- (a) flexibility and choice of parties to enter into such transactions, whether with Related Parties or Non-Related Parties;
- (b) facilitate transactions with Related Parties which are in the ordinary course of business of the Group undertaken at arm's length basis, normal commercial terms and on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company;
- (c) facilitate transactions with Related Parties in an expeditious manner to meet business needs for the supply and/or provision of goods and services which are necessary for its day-to-day operations, particularly business needs which are time sensitive in nature; and
- (d) eliminate the need to announce and convene separate general meetings to seek proposed mandate for each transaction and as such, substantially reduce expenses, time and other resources associated with the making of announcements and convening of general meetings on an ad hoc basis, improve administrative efficiency considerably and allow financial and manpower resources to be channeled to attain more productive objectives.

In addition, the Related Parties had also proven to be reliable in its delivery of services and products as well as fulfilling the quality expectations of the Group. Due to previous business dealings with the Related Parties, the Related Parties are familiar with the Group's operations and are able to meet the Group's business requirements even when short notice is given. This has allowed the Group to benefit from sudden business opportunities that had arisen.

5. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is not expected to have any effect on the issued capital, the substantial shareholders' shareholdings of the Company as well as the net assets per share and gearing of the Group for the financial year ending 31 May 2021.

6. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to the approval of the Shareholders of PHB at the forthcoming AGM.
